

The Pennsbury Falcons High School Baseball program is currently conducting fundraising activities by seeking donations and corporate sponsorships to help defray costs for maintenance, equipment, field upgrades, and travel in the upcoming season. As we look forward to the 2022 season, we find a new set of financial challenges for our program. Our dugouts need to be replaced and expanded to support our players and coaching staff, and our foul line fencing needs to be upgraded. These are huge financial hurdles for our program, but with the continued support of sponsors and donors, we can meet our goals and upgrade our facilities at the Vic Napolitano Field in time for the upcoming season.

Historically, PHS Baseball has commanded an impressive record and demonstrated the drive, skills, and intensity required to compete at a higher level:

- 2019, 2017, 2015 Suburban One League Champions
- 2017 District One Champions
- 2017 Pennsylvania 6A State Champions
- Over 60 Commitments to College Baseball Programs since 2010!

We look forward to stepping onto the field in the spring and getting the 2022 season underway. With the support of families, friends, and businesses, we will be able to meet our fundraising goals and look forward to a great year ahead.

Donations can be made payable to: **Pennsbury Baseball Parents Club**
Mailing Address: Pennsbury High School - East
705 Hood Blvd.
Fairless Hills, PA 19030
PBPC is a 501c3 non-profit; donation receipt will be provided

Thank you in advance for supporting the Pennsbury Falcons High School Baseball program.
