 - Assessing outside gym options for fall workouts.
- If you play a fall sport, do not come to the Pennsbury Baseball fall workouts.
- Workouts are open to any player that would like to try out for the team in March. This includes students who attend Pennsbury High School, students that are within the Pennsbury boundaries that attend the Bucks County Technical High School and those students that are homeschooled within our district.
- The fall will culminate in our annual Halloween Costume Game. This event will most likely take place on 10/28 or 10/29 at Levittown Continental. The plan is for an evening game under the lights with community involvement.

- Overview of Financials

- Current Account balance - \$39,700.00
- \$26,000.00 has been earmarked for major renovations to the varsity field. This includes work on the infield, outfield and materials. This project has begun.

- AWRE Camera System

- The PBPC is looking to purchase the AWRE Camera System for this upcoming season.
- The AWRE Camera System provides live-streaming and auto clipping for performance analysis.
- The cameras will be installed on the varsity field.
- There are 2 options for the camera system –

- 2 cameras - \$4,000.00 (cameras focused on centerfield and Homeplate)
 - 6 cameras - \$8,500.00 (cameras focused on centerfield, Homeplate, back & front of pitcher, back & front of batter)
- There is a yearly subscription of \$3,000.00
- Each player gets their own account
- All teams (Varsity, JV & Freshman) will get an opportunity to utilize the camera system.
- The system will create automatic recruiting videos.
- Allows coaches to analyze player videos and provide subsequent instruction.
- We could have the opportunity to raise money by giving others access to the camera system in the future (i.e. – tournaments, legion teams, teams playing against PHS on our field).
