

General Membership Meeting Minutes

2026–2027 Season

Date: August 5, 2026

Parents' Club Board Members

- Angie Lee
- Jenna Tasker
- Jamie Klejna
- Farrah Seidler

Angie Lee will serve as treasurer. The other three roles (President, Vice President and Secretary) are still being worked out.

1. Treasurer's Report – Angie Lee

Current Financial Status

- **Current Bank Balance:** \$28,755.31
- **Outstanding (Uncashed) Checks:** \$1,120.00

Upcoming Expenses

- Approximately **\$2,000.00**– Story of the Season Yearbooks
 - Approximately **\$3,000.00 - \$5,000.00** – Middle School Batting Cages
-

2. Coach's Report – Joe Pesci

Spring 2027 Important Dates

- **March 8, 2027** – First Day of Tryouts
- **March 20–26, 2027** – Spring Training Trip (tentative dates)
- **April 12, 2027** – First Varsity and JV Games
- **May 24, 2027** – Playoffs Begin

- **June 17, 2027** – Tentative PIAA State Championship Game

Spring Training Trip

- Varsity and JV teams will be attending spring training down in Myrtle Beach, SC. The trip will be a few days longer than previous years. Looking to spend the first night in North Carolina and possibly the last night in Virginia. The approximate cost is \$1,200.00/player. We are working hard to fundraise and get the cost/player down. All money fundraised from our golf outing will go towards the spring training trip.

3. Facilities

- Due to ongoing construction at Pennsbury High School, only the varsity field will be available on campus this season.
 - Multiple teams will share the varsity field throughout the year.
 - Coach Pesci is working with the school on additional field rental options.
 - Pennsbury School District will cover the cost of field rentals.
-

4. Fall Baseball

- A formal fall baseball schedule has not yet been released.
- Ideally, we will lift at the high school on Tuesdays and Thursdays and have a field workout on Wednesdays. This is contingent on fall and winter sports solidifying their use of the PHS weightlifting gym. Fall sports get priority, winter sports get second priority and spring sports (baseball) get last priority in securing time in the gym.
- Fall baseball will consist of training, skill development, and weightlifting only.
- No fall games are planned.
- Players participating in a Pennsbury High School fall sport should not attend fall baseball activities.
- Fall workouts will begin the second week in September.
- Participation is completely optional.
- Eligible participants include students in grades 9–12 attending Pennsbury High School, Pennsbury homeschooled students, and Tech School students.

- Fall Baseball will wrap up with the annual Halloween Costume Game on October 27, 2026, at Macclesfield.
-

5. Winter Baseball

- **November–December:** Weightlifting
 - **January–February:** Weightlifting and Skills Training (indoor skills training locations are still being worked out. It will most likely be a combination of River Sports and Nation 9.)
-

6. 2026–2027 Fundraising Calendar

- **September 25, 2026** – Golf Outing
- **December 2026** – Possible Holiday Fundraiser
- **February 6, 2027** – Bingo
- **February 2027** – Gift Card Calendar Fundraiser
- **March 2027** – Launch Raise Fundraiser

All fundraisers, with the exception of the Launch Raise Fundraiser, give players an opportunity to personally fundraise and offset their expenses. Players receive 10% of the sponsorships they bring in (golf outing and bingo). In past years, players have made \$10 from every gift card calendar they sell and \$10 for every bingo ticket they sell. Major player expenses include the trip to Myrtle Beach and the Player Pack.

7. 5th Annual PHS Baseball Golf Outing

Date: September 25, 2026

Location: Makefield Highlands Golf Club

Additional information is available on the Pennsbury Baseball website:

www.pennsburyfalconbaseball.com.

Golf registration and sponsorship registration are being done through Omella.

Volunteers & Support Needed

- Secure event sponsorships
- Donate raffle baskets and prizes
- Volunteers needed on the day of the event

Fundraiser Purpose

All proceeds from the golf outing will support the annual Myrtle Beach spring training trip. Last year's proceeds covered player transportation and snacks.

We are looking for volunteers to form a golf committee. Help is needed to recruit golfers for the event, volunteers for the day of the event with an emphasis on help needed with the hole competitions, raffle basket donations are needed, and most importantly, help is needed in securing sponsorships.
